

BDI INTERVIEWS

Many interviews today will be based on asking Behavioral Descriptive Interview questions – questions that want to learn more about how you react to specific scenarios. It expands on the usual questions about your experience and where you see yourself in 5 years! (Not really asked anymore thankfully!!) To learn more about BDI Interviews and how to manage them, I've compiled some useful resources for you.

These resources should give you a very solid overview.

Why are you leaving your current position / company?

A lot of people have asked me about how to answer questions in an interview around why they are looking to leave their current company and from personal experience as a recruiter, I know this is one of the first things that will be asked – especially if one has not been in the current position for a lengthy amount of time. Check out this resource as it helps answer a lot of these questions.
